NOTES

The theme of the GC28 is unique, but the Rector Major specifies that it is divided into three groups:

***Priority of the Salesian mission among today's youth**

***Profile of the Salesian for today's youth**

***Together with lay people in the mission and in formation**

I am convinced that in the large majority of the confreres there is a strong desire for greater human authenticity, for great spiritual depth and for a more radical vocational coherence.

Let us ask the Holy Spirit that the 28th General Chapter be an opportunity to take this step forward, I affirms just before proposing, to all members of the Congregation, the recital of the prayer of intercession to Mary Help of Christians to guide the journey of the spiritual Sons of Don Bosco.

Ángel Fernández Artime
The Rector Major

What kind of **SALESIAN** for the Youth of today?

“The fundamental aim of GC28’s theme is that of helping the whole Congregation to examine closely, as far as possible, what ought to be the profile of the Salesian capable of responding to //”
